

# SAMUELSON SALES, INC.

Since 1995, Samuelson Sales has proudly served as a leading distributor in the sanitary processing industry. As an independently owned, family-run business, we are dedicated to sourcing and delivering the highest quality products from trusted manufacturers across the country.

## How We Serve

We specialize in supplying **industrial** and **sanitary** solutions to food, beverage, dairy, pharmaceutical, and other processing industries—with a focus on fast response times, accurate sourcing, and personalized service. Our long-standing relationships and expert product knowledge mean you get the right parts, when and where you need them.

**SAMUELSON SALES, INC.**

### Process Instruments

---

- Level Indicators
- Flow Meters
- Pressure & Temperature Gauges
- Magnetic Traps

### Pumps & Parts

---

- Sanitary and Industrial
- Centrifugal & Positive Displacement
- Diaphragm and Drum Unloading Pumps
- New Pumps
- Replacement Parts
- Pump Rebuild Program

### Processing Equipment

---

- Silos & Tanks
- Homogenizers & Separators
- Plate Heat Exchangers
- Blending & Mixing Systems
- Magnetic Traps & Fluid Filtration

### Rubber Fab

a Garlock Hygienic Technologies company

### Hoses & Washdown Products

---

- Washdown Hoses & Hose Stations
- Suction-Discharge Hoses 3A certified
- Gaskets & O-Rings

### Plastic Lined Pipe & Fittings

---

- Resistoflex
- PTFE, Polypropylene, Kynar
- 1"-12"
- Lined Check Valves, Ball Valves, Plug Valves

### Pipe & Fittings

---

- Stainless Steel, All Sizes & Schedules
- ASTM A312, A778, A403, A774
- Welded Seamless Grades, 304-304L, 316-316L
- Alloy 20, C-276, Duplex 2205, Aluminum
